

# TRINITAS

chamber ensemble

The virtuoso soloist. In three dimensions.

Born from a desire to explore the fringe of standard classical chamber music and to present engaging, off-beat performances, Trinitas Chamber Ensemble consists of three outstanding musicians with a shared vision and infectious onstage chemistry. Accomplished soloists in their own right, the members of Trinitas have performed around the world, including St. Petersburg (Russia), Llangollen (Wales), Uberlândia (Brazil), and Tegucigalpa (Honduras). Since its premier performance in 2015, Trinitas has inspired rave audience reaction at venues in Washington DC, Ontario, British Columbia, Alberta, the US Midwest, and at home in Newfoundland.

The goal of Trinitas is twofold: to reframe the contemporary chamber music experience, igniting a passion and curiosity in the genre in an increasingly diverse audience base, and to explore with our audiences new music and new styles from contemporary composers, particularly Canadian colleagues.

Nathan and Michelle are faculty members of Memorial University's School of Music in St John's, Newfoundland and Labrador. Phil was the founder and Executive Director of PlayPianoNL, an organization that inspired a deep love of the piano in countless young musicians in Newfoundland and Labrador.
